### Holy Communion

*We believe that worthy participation in Holy Communion requires repentance, faith in Jesus Christ as one's Saviour, and an earnest desire to amend one's sinful life, as well as accepting the Scriptural teaching regarding the real presence of Christ with His body and blood in the Sacrament. "This do in remembrance of me" (Luke 22:19).*

❖ **Visitors:** Please fill out a visitor's card. Those desiring to commune with us for the first time, please speak to Pastor Rod before the service. Visitors who do not share the Lutheran Confession are welcome to come forward to receive a blessing

❖ **Members:** Please fill out a communion registration card (find them in the holder on the back of the pew in front of you) and place completed cards in the offering plate. These registrations help us follow the worship life of our church family.

❖ For those who **cannot** have alcohol, grape juice is available in the center ring of the communion trays

**Offering cards** for those using FaithLife Preauthorized Payment Program are available in the lower righthand mail slot. Pick one up before service and place it in the offering plate. The card will be returned to the mail slot after offering is counted.

## Sutherland School Cereal Drive

Did you know that Sutherland School – a school in our neighbourhood - feeds breakfast for up to 40 children each day and lunch for up to 70 children each day? They employ a nutritionist who prepares meals and oversees this program. While feeding the children is very important, Sutherland School would also like to partner with churches and other groups in the community to come to school and interact with the children. There are many ways this can be done: serve breakfast; read with students, play games with students as well as various other activities. Right now, Council has approved, that we begin to collect cereal to donate to Sutherland School. Please make sure the Best Before Date is for Fall of 2018. Cereals requested are: Rice Krispies, Vector, Raisin Bran, Corn Flakes, Special K and Granola. They could also use empty ice cream pails. Look for more information in the near future and pray if this is something that you would like to participate in. A bin separate from the Food Bank Barrel will be placed in the coat room! For further information contact Helen Riggs @ 306-249-0258.
